**Subject: Central European Cybersecurity Public-Private Dialogue Platform Events,
23-26 September 2015, Sibiu, Romania**

Dear Sir/Madam,

I am pleased to inform you that the Telecommunication Development Bureau (BDT) of the International Telecommunication Union (ITU), in collaboration with the Swiss Webacademy in Romania, and the CERT-RO, is supporting the **Central European Cybersecurity Public-Private Dialogue Platform Events** to be held on **23-26 September 2015** in **Sibiu, Romania**.

The main goal of the events is to create an open dialogue between Romania, other countries from central Europe, and industry players, in order to improve information sharing and cooperation in the field of cybersecurity. Security professionals and policy and decision makers from Romania's neighboring countries will participate in the sessions promoting constructive dialogue between states, IT security actors and consumers.

These annual events aim to be a vital and interactive dialogue platform between decision-makers and IT specialists. The challenge is to create, through specific workshops, a prolific and useful debate, allowing every participant to gather as much information and networking as possible, either for a complete understanding of the principles of the newest security problems and how to face them, or for specialists to see how cases are treated in different countries and how the best approaches of those presented could be useful for their own company or institution.

The draft agenda and further details are available at <https://cybersecurity-romania.ro/>. Travel, accommodation and other arrangements should be made and costs borne by the participating Administration/Organization/Company or participants directly.

Participants requiring an entry visa to Romania should contact their nearest Romanian Embassy or Consulate well in advance.

Mr Jaroslaw Ponder, Coordinator for Europe Region, (telephone: +41 22 730 60 65, e-mail: EURRegion@itu.int) and Dr. Laurent Chrzanovski, Conference Manager (+40 730 362 544, email: office@swissacademy.ro) are at your disposal for any questions you might have concerning this event.

Yours faithfully,

Brahima Sanou
Director
